THE DIRECTOR OF
CENTRAL INTELLIGENCE

3 July 1986

National Intelligence Council

NOTE TO: All NIOs

Since the DCI will be away and Bob Gates will be taking this coming Wednesday's meeting with the NIOs, we will revert to our usual format for this week. All regional NIOs should prepare "tickets of admission" for the meeting as usual and everyone will attend.

If the DCI is back for the meeting on Wednesday, the 16th, we will once again seek to focus the meeting on specifics. I will let you know more about our planning as that date approaches.
